

**CARE & DISCIPLESHIP TRAINING**  
**WEDNESDAYS, 7-8:30 PM, STEWART LOUNGE**  
**OCTOBER 18 - DECEMBER 13, 2017**

Everyone counsels and offers advice. A friend tells you about her frustrations with her husband who works long hours and is rarely home. A man from church explains that he and his son are not getting along. Someone in your small group announces that she is depressed and has been advised by her doctor to take medication. We all come into contact with other believers who seek our advice and counsel. Whether we respond casually or formally, we offer advice - biblical or otherwise.

Romans 15:14 says, "*I myself am satisfied about you, my brothers, that you yourselves are full of goodness, filled with all knowledge and able to instruct one another.*" Care and Discipleship Training is an 8-week course designed for people who have a desire to be equipped to disciple and counsel using the Word of God. What is biblical counseling? How do people change? Why does theology matter in counseling? Why is there so much conflict among believers and what can we do to resolve it? These questions and more will be answered!

Participants will listen to a podcast (free, online or via smart phone app) prior to each class and then participate in a Bible study and discussion. Pastor Dave Halverson and Diane Acosta will lead the course.

**Cost for the class and all materials is \$20.**
